libGLSv2.dll	2020/11/17 0:00
natives_blob.bin	2020/11/17 0:00

Move the Game\_EN.exe file into the game folder as shown in the screenshot above.  
If you'd like to play the game in Japanese, please use the original Game.exe file.  
Both versions utilize the same save file, so you'll be able to continue playing with no issues.
